

## Blocked gullies cleaned

The County Council finally cleaned out blocked gullies on Dallas Rd and Meeting House Lane in February, after being persuaded by Cllr Gina Dowding that something was going badly wrong with its records and they hadn't 'already been done'.

## Reporting highways faults

The County Council is now asking for potholes, blocked gullies, rocking paving slabs etc to be reported by email, with a photo if possible, to [highways@lancashire.gov.uk](mailto:highways@lancashire.gov.uk). It says that reports via FixMyStreet and the fault report page on the County website are not getting through.

## Long Marsh Lane

The City Council has agreed a scheme that will see bollards placed either side of the railway bridge to prevent rat-running through the Castle precinct.

## Nuclear Weapons

### Public meeting:

Tuesday 10th April, 7.30pm  
Quaker Meeting House,

*Dr Stuart Parkinson of Scientists for Global Responsibility presents the arguments for abolishing nuclear weapons.*

All welcome.

## Graffiti

The City Council has agreed to take a more pro-active approach to removing an epidemic of graffiti in the area. Environmental Services will tackle graffiti in most locations although not on County Council road signs. Graffiti should be reported to [customerservices@lancaster.gov.uk](mailto:customerservices@lancaster.gov.uk) or by calling 01524 582000.

## Carr House Lane

Works to finish raising pavements and resurface the road are due to go ahead in the 18/19 financial year.
